Kerri's Cat Care
PO Box 29271
Philadelphia PA 19147-3309

Dear Kerri,

Thanks for taking care of Burfie & Gandalf on such short notice, and for the kitty food and litter acquisition errands! You certainly did get a good deal on the supplies - I'm going to start shopping there too. Both cats were in fine fettle when I got back, and soooo much happier than if they had to go to the dreaded vet.

Please keep my keys in your file. You did such a great job - the next time I have to be away, I certainly want to be able to call on you!

Again, thanks!

Sincerely,

Barbara McKenzie
