To whom it may concern:

Kerri Hunter has cared for Oliver, our bichon frise, for over 3 1/2 years. She has taken excellent care of our dog whenever we needed her services. She is extremely responsible, timely and has been a welcomed substitute for us when we could not be home to walk or feed him.

We would unquestionably recommend Kerri to anyone seeking pet care services and have done so repeatedly.

She loves the pets she cares for and they love her in return. We only wish we could take her with us when we move from Center City.
